Why Donate?

Support Our Children

The PTA will contribute at least \$270,000 to support McKinley's academic excellence, equitable approach to education, and community-building events.

Boost Teacher Impact

Math and literacy specialists for students, and a class-size reduction teacher in upper grades ensure that all McKinley students can achieve their full potential.

Expand Learning Through Enrichment Programs

McKinley PTA's budget provides students with supplemental math curriculum and enrichment programs, including art, STEAM, tutoring, and wellness for an educational experience that applies to the whole child.
